JPC REPORT ON STEEL PRICES: DISCLAIMER

- The prices reported in the Retail Market Price Report are retail market prices of leading items of iron and steel in the four metro cities (Delhi, Mumbai, Chennai and Kolkata) of the country and covering the leading producers as well as units in the Other Producers segment.
- The purpose of publishing this report is only statistical and not to provide any form of advice: be it on market trends, investment decisions, taxation, legal matters, capacity creation, purchase decision, tendering, price escalation clause review or any other advice. As such, the view/opinions offered by a user based on the data in this report are completely the responsibility of the said user and JPC neither owes any responsibility nor would endorse such views/opinions.
- It may be noted that data featured in this report has been collected under the Collection of Statistics Act, 2008. The information, as featured in this report, is completely based on the data reported by the steel traders (informants) to JPC under. Hence, such prices may be treated as "indicative" in nature.
- Care is taken to validate all information before featuring it in the report. However, since the data featured here is as reported by the individual traders, users are requested to apply their own checks before using any of the information in this report for any work at their end.
- Acknowledgement of JPC as a source of data is required at the user's end at the time of using the information content of the report.
